Important Note! Parents' Responsibilities

You are responsible for your children and any children in your care. Explorers is not responsible for any of your children regardless of age at any time during any activities e.g. clubdays & camps. Explorers wants to offer a range of activities that will interest our diverse membership. Some of these activities will require more parent supervision than others and it is the parents' responsibility to ensure that they are fully aware of all safety procedures, attend any safety briefings offered in relation to a particular activity, and to ensure the children adhere to all rules and act in the interests of their own safety and the safety of others. Parents must supervise all their own children regardless of age at all times as Explorers will not be held liable for your safety or your children's safety during activities. I/we agree to the above and will be fully responsible for our children and any children we might have in our/my care during all Explorer activities.
