Tga Explorers AGM 18th March 2007

Our AGM is just around the corner. As it is so close to St Patrick's Day, we are having a "Green" Theme. You may wish to come dressed in green, dye your hair green, wear a green hat or you might bring a green cake along to share!

It is to be held at Te Puna Quarry Park at 2:30pm. Please meet by "the dragon" (close to the public amenities).

The atmosphere will be relaxed. We hope to see everyone there. Please RSVP to Ingrid ASAP so we can confirm numbers.

25th March: Explorers will have the privilege to share in the extensive knowledge of a Marine Biologist. Matt is a post graduate student from the BOP Polytech and he will be joined by some other students to help us explore the rock pools & show us some of the "wonders of the sea". Once again, please phone Prathima 544-7190 to let her know if you are coming or for more details.

Please remember to look at our website often. The NZAGC computer system is having a re-vamp so there may be a few changes there.

Counseling Needs of Gifted Children

Speaker: Marion Sanders **Date:** 22 March 2007

Venue: Bethlehem Tertiary Institute, Tga. **Time:** 7.30pm – 9pm

session at
Wickham (ODS)

YOUNG EXPLORERS

There is a great need to support families of gifted pre schoolers in Tauranga. We are hoping to have regular get togethers to get our Young Explorers group off the ground. These will be informal casual & friendly and will provide families with friendship and support. We are seeking indications of interest, so if you or someone you know have gifted pre schoolers please encourage them to join us. Ph Lesley 542 2097 for more
